

## INVITATION

### ANNUAL MEETING OF THE SLOVENE VETERINARY DERMATOLOGY STUDY GROUP 3rd of April 2014

[www.veterinarskadermatologija.blogspot.ch](http://www.veterinarskadermatologija.blogspot.ch)

The Slovene Veterinary Dermatology Study Group cordially invites you to their annual pregress day. The topic of the day is the ***Dermatology of breeds***. The skin/hair structure and main features of the most common skin diseases in certain breeds of dogs will be presented. Diseases unique to a breed will be discussed in more detail. Some time will be devoted to case discussions. Participants are invited to present their own clinical cases (pictures are welcome, quality not important, oral presentation not necessary). Lecturers will ECVD members (European College of Veterinary Dermatology) Svetlana Belova (Estonia) and Ana Rostaher (Switzerland). The lectures will be as much as possible interactive.

**We are looking forward to welcome you in Slovenia!**
